
2024

JEWISH VOICE MINISTRIES INTERNATIONAL

IMPACT REPORT

Message From *Jonathan*

I can't thank you enough for the **incredible difference** you made in 2024 through your support of Jewish Voice Ministries.

Because of your generosity, countless lives across Africa, Israel, and beyond were touched in profound ways. Here's what you made possible:

- *You brought vital medical care to people in need, helping to treat and prevent disease.*
- *You restored sight to those who had lost hope.*
- *You provided cancer screenings for women, saving lives and offering peace of mind.*
- *You created opportunities for God to work miracles, healing hearts and bodies in ways medical services alone couldn't.*

Your impact didn't stop there.

In Israel, you stood with the Jewish people during a heartbreaking time. You helped provide relief, counseling, and support for those still grappling with the trauma of October 7, 2023, and the war in Gaza.

And most importantly, because of your generosity the Good News of Yeshua (Jesus) was shared with thousands of people.

Thank you for your prayers, generosity, and for allowing God to use you to reach Jewish people around the world.

Jonathan Dennis

LOOK WHAT YOU DID – *YOU RESTORED HOPE!*

She was worn out. You could see it in her face. The young clinic director had been serving a war-ravaged community in Eastern Africa for a long while with nothing to offer the people. No equipment, no tests, no supplies, no medications. All she could provide was birth assistance.

Then, because of your generosity, a Jewish Voice Outreach brought medical professionals, equipment and a mobile pharmacy. In a week, 8,747 patients received quality medical, dental, and eye care. The strained director was revived – and so was the entire community. You didn't just deliver medical care; you helped a community frozen in trauma turn a corner toward healing. What's more, you showed them that God sees and loves them. The fragrance of Yeshua remains there – in new Believers and the in-country pastors continuing to minister His love and Good News to the people in this area. Thank you so much!

GOD USED YOU! – *A YOUNG GIRL'S HEALING*

In Gokwe, Zimbabwe, a young girl with significant vision impairment came to the Medical Outreach. She couldn't see well enough to read anything. We were sad that we couldn't help her vision, but after the examination, she and her family went to the Spiritual Care Ministry. Team members prayed – and God healed her! We use the Scriptures for our vision tests in the field. We asked her to read aloud from a card of Scriptures in successively smaller fonts. She read every last verse – including the tiniest one that some of the team had trouble reading, even with their glasses. You sent us to Gokwe through your gifts to Jewish Voice, and God used you to make Himself known through signs and wonders. Your gifts profoundly changed this young girl's life. Thank you for letting God use you.

SHARING THE GOOD NEWS OF YESHUA THROUGH *MEDIA*

Love Your Jewish Neighbor is a campaign dedicated to inspiring followers of Jesus to put their love and faith into action by combatting antisemitism and tangibly supporting their Jewish neighbors locally and globally. Rooted in Jesus' teaching to "love your neighbor as yourself," this campaign inspires Christians to stand in faith against rising antisemitism through practical education, heartfelt prayer, and meaningful acts of support. By providing resources and guides, our campaign equips individuals and church communities to build bridges of understanding and solidarity with Jewish people.

A key moment for the campaign came with the launch of our first ad during Hanukkah. This powerful, 30-second message encouraged Christians to stand boldly allied with Jewish communities, calling for action that reflects the love of God. The ad's impact sparked important conversations and mobilized viewers to embody Christ's light in their daily lives.

LOVE YOUR
JEWISH
NEIGHBOR
